

# ST MARY'S CATHEDRAL

Celebrate our

*Special milestone*

*Become a* **KEY SUPPORTER**

**1868 - 2018**

**KEY SUPPORTERS** are generous benefactors who help us continue the vital conservation work at St Mary's Cathedral.

The year 2018 marks the 150th anniversary (or **Sesquicentenary**) of the laying of the foundation stone of the present cathedral by Archbishop John Bede Polding.

Donations to the Conservation Appeal go towards the ongoing maintenance of the cathedral's structural fabric.

Set up a monthly pledge of \$25 or more (or a one-off donation of \$500) to become a Key Supporter. Your gift will be commemorated with a certificate signed by the Dean of St Mary's and a gold plated key replica of one of the doors to symbolise your abiding link to the Mother Church of Australian Catholics.

To donate, call the Fundraising Office on **1800 753 959** or email [appeals@stmaryscathedral.org.au](mailto:appeals@stmaryscathedral.org.au).

St Mary's Cathedral is a precious legacy that belongs to all Australians. Help us celebrate its special milestone as one of its Key Supporters.
