

Community of St Dimpna

Providing a special place
of hospitality at St
Patrick's for survivors
and victims of sexual
abuse.

Each second Saturday at 7pm in The Crypt of St Patrick's Church there will be a simple paraliturgy. This service will include the opportunity for individuals to be prayed over for healing.

We will gather under the patronage of St Dimpna, patron saint of the sexually abused and those with mental or emotional distress.

Kevin Bates SM has written a beautiful reflective hymn for the St Dimpna Community. The hymn gives voice to the pain of those who have been wounded.

The first of these gatherings under the patronage of St Dimpna will be in **The Crypt at 7pm on Saturday 12 May 2018.**

All welcome! Just turn up. Participate as you feel inclined.

Michael Whelan SM
Parish Priest
